Sweet contemporary romance author. Her friends however she would do anything for. It's a matter of priorities she tells herself. I love Parker and Ella! Their romance was cute and sweet. Ella is super sweet. 5/5. Loved it. I definitely recommend it. Romance Ebooks Nonfiction I enjoyed this clean romance. It's a true Cinderella retelling. However it's a nice easy read. Romance Ebooks Nonfiction Actually 3. It's cute but not overly exciting. It almost reads like a YA romance. It's good just not anything terribly special. Mom to two adorable monsters. Coffee addict..
