Even if not all the poems struck me many of them did hit their mark and made me think or reminded me of some truth and Herbert really is a master of his craft. **Epub open source** Each can be held up to the sun and it sparkles and throws millions of rays of beauty and truth into the heart and mind of the reader! Now in re-reading his poems not as an academic exercise for school I find instead great instruction as a spiritual exercise. **Poems poetryfarm co ke** 256

Great but I didn't connect with it I appreciate what Herbert did as a poet and admire his sincerity and fervor of devotion but was surprised to find that reading him did not connect for me on a personal level. **Poetry poems by polish poets** One that I keep coming back to is The Storm particularly these lines: A throbbing conscious spurred by remorse Hath a strange force: It quits the earth and mounting more and more dares to assault thee and besiege thy door.
