## Premier nursery

Premiere Nudes

Features an extensive collection of B/W photos by a California photographer taken during the 1920's, **Premier body solutions** Due to laws about sending certain photos in the mail he was charged with crimes most were eventually dropped: **Premier neurology** The photos enclosed are almost angel-like of the models as they stand before a dark background: **Premier nutrition** Eventually a number of series of photos he distributed appears includes groups of women and one boy/girl scene. Amazing English.
