

Big Girls Dont Whine: Getting On With the Great Life God Intends By Jan Silvius Big Girls Dont Whine: Getting On With the Great Life God Intends This is one of my favorite books of all time! Jan Silvius is a master at getting the point across without preaching at us. Through her personal experiences.

No one wants to be labeled a whiner but many of us go through life with a poor me victim mentality that sounds a whole lot like whining. In Big Girls Don't Whine Jan helps women: Move beyond the past and on to healthy relationships Choose to be proactive rather than let life just happen Discover their full potential And become everything He made them to be. So how can we tell if we're living life as an immature 'little girl or a confident big girl? A little girl... Is insecure Becomes the victim of circumstances Says I can't Manipulates A big girl... Is secure Rests in God's sovereignty Says I can Communicates In Big Girls Don't Whine Jan Silvius calls us to be real women in a real world free to experience a life of full of potential and vision. I personally didn't find it revolutionary but then I have given a fair amount of thought to the subject already she teaches us to be better wives Moms sisters daughters and friends by helping us to be Big girls when things don't always go our way. Big Girls Dont Whine: Getting On With the Great Life God Intends An amazing book loved it it talks everything a woman needs to know and you to handle crisis how to act as a mature woman also it has some questions that makes you analyze yourself and take little steps to be better Big Girls Dont Whine: Getting On With the Great Life God Intends Some chapters very relevant. Jan Silvius writes her message with grace in a way that makes me want to accept the responsibility (and privilege!) of a Big Girl and grow without a hint of feeling intimidated or "holier-than-thou. Big Girls Dont Whine: Getting On With the Great Life God Intends I felt this had a good amount of basic information for acting like an adult and letting go of childish behavior:

But it was an enjoyable and worthwhile read nonetheless. Big Girls Dont Whine: Getting On With the Great Life God Intends This has been a wonderful book to digest: The comparisons between the Little Girls and the Big Girls help me identify where I am in the growing into the Big Girl process: Jan Silvius shares many insights of her journey and communicates clearly how we should behave to be a Big Girl. God never intended for us to act like little girls says Jan Silvius. His goal is for each of us to live as big girls-mature Christian women-who are capable of enjoying the richness of life He has planned. Big Girls Dont Whine: Getting On With the Great Life God Intends This was an interesting read about being a 'big girl' and having a mature attitude to life, It was easy and engaging to read and I read the whole book in a day (though I did skip out the 2/3 chapters (e, Big Girls Dont Whine: Getting On With the Great Life God Intends The author gave a lot of examples of the growing process from a little girl to a big girl. Most of which I could not relate to on a personal level in my twenties. There was value in the broader examples and friendship level of examples how big girls can inspire those around them. A good read and made for good discussions in my moms group: Big Girls Dont Whine: Getting On With the Great Life God Intends One of the best books I've read about personal growth and spiritual walk with God: " Practical life applications and great portrayal of the realities of a Big Girl and Little Girl's lives: What I did not like as much was the choice of using paraphrases for the Biblical quotes instead of translations: almost all from The Message and The Amplified Bible: Big Girls Dont Whine: Getting On With the Great Life God Intends I loved this book it spoke to me it said to me 'grow up' in a mild but firm manner, It took me quite a while to be done with it because i took my time gradually sipping into its essence. . This both was both encouraging and challenging. She addresses issues that face both Little and Big Girls. She makes her point well. This book is the how-to manual for making it happen.g. on being a mother) which aren't relevant to me currently). I think this is a must read for young women everywhere. This book is meaty but well explained.This book is a must read for young women like myself. I'm proud to be a transitioning BIG GIRL
