

The Osama Bin Laden I Know: An Oral History of Al Qaedas Leader By Peter L. Bergen **The search for osama bin laden** 0743278917 They say if you want to know about a man study his friends; this is an account of Bin Laden as told by people that in one way or the other surrounded the man of terror. **The Osama Bin Laden I Know booking** It is intriguing to not that Muhammad Bin Laden Osama's dad fathered 54 kids; 25 girls and 19 boys; and had so much money that at one time Osama and his brother used Italian expensive shirts only once; turned them into disposable dippers! Told by Peter Bergen A man who followed Al Qaeda better than any writer I know of this is an amazing story. **The Osama Bin Laden I Know book** This book reinforces my personal perspective that one should be extremely careful of generalisations but at the same time while not necessarily agreeing with the methods try and understand why those deeds are committed. **EBook The Osama Bin Laden I knowing** I finished the book with following impression: In the end Osama's war on America has been an utter failure because there are more US troops in the middle East then there has ever been. **The search for osama bin laden** However by invading Iraqi America has contributed to his cause of fueling the hatred of America; increasing the number of people willing to die for his holly war and not to mention the cost in lives and resources. **The Osama Bin Laden I Know book** ' draws on his personal meetings with Osama Bin Laden as well as interviews with some of his most intimate acquaintances describing the terrorist's self-presentation as a soft-spoken cleric & offering insight into how he garners the fanatical loyalty of hundreds of thousands of followers. **The Osama Bin Laden I Know booking** The Osama Bin Laden I Know: An Oral History of Al Qaedas Leader **SOMEWHAT OF A SPOILER ALERT:** Possibly the most compelling passages from this book are those which paint a picture of an Osama Bin Laden uninhibited by political objectives. **The search for osama bin laden** A Bin Laden who never raises his voice and becomes elated at the opportunity to prepare special meals for his favorite guests even if the meals are only slightly more fulfilling than his usual humble dish of rice and bread. **The Osama Bin Laden I Know booking** It does give the reader an idea of Bin Laden's political motivations which are slightly less political since they are based on his austere observation of and unshakable faith in Islam. **Nonfiction The Osama Bin Laden I know your** Every now and then I found myself asking why this person did this what their relationship was to this person who was the political opposition to who and why and I had some trouble picturing the states of certain countries during certain periods (Mainly Afghansitan after the U. **Book The Osama Bin Laden I known** 0743278917 I had to read this for a history class and normally I wouldn't do a full review but since we had to write a review I figured I'd share a little of it here. **The Osama Bin Laden I Know nonfiction writing** Peter Bergen's The Osama Bin Laden I Know offers an informative and eye-opening look for readers young and old of Osama Bin Laden Al-Qaeda and the struggles in the Muslim world from the mid-1980's to the present. **Book The Osama Bin Laden I know** Using his own personal experience with meeting Osama Bin Laden Peter Bergen also uses recently declassified documents and accounts written by those who met Osama Bin Laden to better highlight his figure. **Book The Osama Bin Laden I know your** Instead it was to fill in the gaps about Osama's life from his childhood to his involvement with the Taliban which were not unknown but were overshadowed by his later activities in life subsequently this also allows new light to be shed on the elusive figure to allow readers to better understand his motives. **The search for osama bin laden** " One of Pakistan's leading journalists Rahimullah Yusufzai who interviewed Osama bin Laden twice in the late 1990s is credited with that quotation in this 2006 biography by Peter Bergen. **Book The Osama Bin Laden I know** A decade ago and five years after bin Laden's bloody take down who could've imagined that the Islamic State in Iraq and Syria would dominate the front pages of newspapers around the globe? Arguably bin Laden's al Qaeda has been pushed to the back page if it's mentioned at all in today's media. **The Osama Bin Laden I Know booklet** " In that same introduction Bergen admits that his book will not "definitively answer" all the questions about "the impact that bin Laden has had on the recent history of the world. **EBook The Osama Bin Laden I knowbe4** " Bergen lists some of those mysteries including bin Laden's development as the leader of "the world's most deadly terrorist organization" how bin Laden conceived his religious-political ideology and his relationship to Egyptian Islamist militants. **The**

Osama Bin Laden I Know kindle direct Perhaps the two most important unknowns left unsolved: Why was bin Laden attacking the United States and what did he really want? Was it because of USA freedoms or this nation's foreign policies? Did bin Laden want to "overthrow the Saudi regime or to restore the caliphate across the Muslim world?" Bergen also lists the reasons why he was unable to answer a lot of those questions in this oral history of al Qaeda's leader. **Nonfiction The Osama Bin Laden I know your** "Writing about bin Laden is complicated" Bergen notes and was hampered by his subject's mysterious "interior life" bin Laden's biological roots in "one of the most closed societies on the planet" not to mention his membership in the Saudi Arabian "kingdom's most secretive families. **Book The Osama Bin Laden I know** " The author also used "firsthand accounts of bin Laden from newspapers around the Muslim world" in addition to Saudi BinLadin Group documents as well as Bergen's collection of Qaeda-related documents and publications. **Book The Osama Bin Laden I know** All of those resources helped to launch what Bergen hoped would be "a wider discussion of bin Laden's character the personalities of his inner circle and Al Qaeda's history and goals. **The Osama Bin Laden I Know nonfiction writing** That's followed by two pages of Osama bin Laden's timeline from his 1957 birth to his October 29 2004 videotape in which he publicly admitted to the September 11 2001 attack on America for the first time. **The Osama Bin Laden I Know booking** Next comes fourteen chapters discussing the birth of al Qaeda its global outreach its involvement with Afghanistan the 9/11 plot the fall of the Taliban and bin Laden's flight to Tora Bora his quest for weapons of mass destruction how al Qaeda took root in Iraq bin Laden's days on the run and his legacy. **Book The Osama Bin Laden I know** At the risk of sounding bigoted in addition to the overwhelming data and minute detail what primarily made this a difficult read for this reviewer was the countless unreadable unspellable and unpronounceable names on every page. **Book The Osama Bin Laden I know your** Even after the death of the former al-Qaeda leader he remains important (at least) as a representative of the ongoing anti-American and anti-Western sentiments which many so-called Islamists in the Middle East express. **The Osama Bin Laden I Know booking** He wanted to see a fundamentalist theocracy established throughout the Muslim world more or less on the model of Iran and he saw the US and its allies as the major obstacle to this. **The Osama Bin Laden I Know book** He certainly had no great love for Saddam Hussein and there was no active al-Qaeda movement in Iraq before the 2003 invasion (after which one cropped up to resist the Americans). **Nonfiction The Osama Bin Laden I knowledge** At one point he made the analogy which has certainly occurred to me since the Arab Spring last year between the many Soviet satellite states of Eastern Europe and the many US-supported dictatorships of the Middle East. **The Osama Bin Laden I knowplango commercial** The analogy falls flat however when one considers his tactics - did he really believe the fall of the Soviet Union would have been hastened if East Germans and Czechs had crashed airplanes into prominent buildings in Moscow? Would that not more likely have brought increased nationalism and dedication in Russia and increased oppression and suffering in Eastern Europe? Indeed might it not have extended the existence of the very Soviet system which it would have intended to destroy? Still this book is worth reading for any American or Westerner who wants to understand the roots of terrorism and its spread in recent decades. **The search for osama bin laden 0743278917** An intimate look at the life and influences of Osama bin Laden a likeable and honorable man and the extreme religious hijacking of his thoughts that led to the rationalization of mass murder.

The Osama Bin Laden I knowplango commercial

The book is mainly comprised of snippets of interviews with people who directly knew bin Laden. **Book The Osama Bin Laden I knowledge** It's a contrived hook but the content backs up the promise: **Book The Osama Bin Laden I know** Bergen is unrepentant in his desire to understand

bin Laden as a person but there is never a trace of empathy for the man. **Book The Osama Bin Laden I know** my favorite quote: At the Italian trial I asked for the case to be over quickly. **The Osama Bin Laden I Know book** No defense was possible: it was an act of war in a country that was not at war so I had to pay the consequences. **The Osama Bin Laden I Know nonfiction writing** 0743278917 A book based on interviews with those who knew OBL and documentary research. **The Osama Bin Laden I knowplango actors** 0743278917 I learned plenty from this book that I didn't know before but the organization was atrocious: **Book The Osama Bin Laden I knowbe4** I too could compile a stack of index cards about a subject but I don't think many publishers would let me just print them in a book as is: **The search for osama bin laden** The author made no attempt to create a narrative from his research he just printed a disjointed hodge-podge of thoughts and impressions and somehow got away with it: **The Osama Bin Laden I Know ebookers** 0743278917 Peter Bergen (born 1962) is an American born England raised print and television journalist author and CNN's national security analyst, **Book The Osama Bin Laden I know** Bergen produced the first television interview with Osama Bin Laden in 1997, **What is osama bin laden known for** The interview which aired on CNN marked the first time that bin Laden declared war against the United States to a Western audience: **The search for osama bin laden** The Osama bin Laden I Know and The Longest War: The Enduring Conflict Between America and al Qaeda (Jan, **Nonfiction The Osama Bin Laden I known** Peter Bergen (born 1962) is an American born England raised print and television journalist author and CNN's national security analyst, **Book The Osama Bin Laden I know** Bergen produced the first television interview with Osama Bin Laden in 1997: **Book The Osama Bin Laden I know your** The interview which aired on CNN marked the first time that bin Laden declared war against the United States to a Western audience: **The Osama Bin Laden I Know epub reader** The Osama bin Laden I Know and The Longest War: The Enduring Conflict Between America and al Qaeda (Jan: **EPub The Osama Bin Laden I know** For example a Bin Laden who likes to ride horses read poetry and play soccer or volleyball with the neighborhood kids. **The Osama Bin Laden I Know booklet** A Bin Laden who goes to European hotels and plays with the owners children: **Book The Osama Bin Laden I know** A Bin Laden who writes in his will that he regrets not spending more time with his own children. **The Osama Bin Laden I Know kindle books** While 9/11 was terrible Bin Laden seems to me to be a man who wanted to serve the greater good but a man who was terribly misguided in trying to do so. **The search for osama bin laden** According to Bergen and I've always imagiend this Bin Laden is not the mindless murderer that we too often label him as: **The search for osama bin laden** His ends seemed fair and just but his means were just horrible and un-enlightened. **Book The Osama Bin Laden I knowing** I say ALL of this assuming that Peter Bergen is accurate in his reporting. **Book The Osama Bin Laden I knowing** The only reason that I didn't give this book five stars was because it was confusing at times, **Book The Osama Bin Laden I known** The book makes no biased attempt to excuse Bin Laden from the roles he played in the numerous attacks carried out by Al-Qaeda, **Book The Osama Bin Laden I know** This book provides a much more rounder view of Bin Laden that isn't biased and one-sided. **The search for osama bin laden** *Not to imply that the new perspectives make him any better* And really sorts through the information we've all been taught about him Al-Qaeda The Taliban and the Muslim world. **PDF The Osama Bin Laden I knowing** 0743278917 "I believe that he will be a much more popular man for many Muslims once he becomes a martyr because Mr, **The Osama Bin Laden I Know epublising** bin Laden as a dead man would be even more potent than when he is alive, **The search for osama bin laden** Ten years after that publication and nearly five years after bin Laden's death I think it's safe to say that the accuracy of Yusufzai's prediction is debatable: **The Osama Bin Laden I Know booker** Biographer Bergen could not have known at the time of his book's release about the coming rise of ISIS. **The Osama Bin Laden I Know booklet** Perhaps it's also true as Bergen states in his introduction "Arresting the spread of bin Laden's ideas will prove more problematic than arresting or killing al Qaeda's leaders, **The Osama Bin Laden I Know pdf drive** " Bergen writes "There is surprisingly a good deal that remains mysterious about him: **The search for osama bin laden** "

The bottom line: bin Laden “seemingly deliberately avoided revealing much of his personal story when he (was) interviewed. **Book The Osama Bin Laden I know** ” That being said Bergen attempted here to “help the reader develop a fuller picture of (bin Laden) and his organization. **Book The Osama Bin Laden I know** ” You have to give Bergen an “A” for trying to pull back the curtain on what made bin Laden what he was. **The Osama Bin Laden I Know nonfiction articles** This “oral and document-based history of al Qaeda’s leader” draws almost exclusively from firsthand accounts from persons who “actually met bin Laden: **Nonfiction The Osama Bin Laden I know** Bergen “relied on interviews (he) conducted over eight years” as well as testimonies from legal cases, **Book The Osama Bin Laden I know your** In addition Bergen gleaned from “books written by al Qaeda’s leaders and former Taliban officials. **The search for Osama bin Laden** ” Bergen’s sources also included “thousands of pages of transcripts from military tribunal proceedings for prisoners held at Guantanamo Bay. **President known for killing Osama bin Laden** It begins with nine pages of dramatis personae a listing of the main characters in bin Laden’s life, **The Osama Bin Laden I Know nonfiction books** Four pages of Appendix A notes come next on where members of the dramatis personae were as of 2006, **Book The Osama Bin Laden I know** Appendix B gives the reader five pages of detailed notes on key members of bin Laden’s family, **The Osama Bin Laden I Know book** An overview of the bin Laden family business is highlighted in Appendix C, **The Osama Bin Laden I knowpulp** Nineteen pages of notes come next documenting all of Bergen’s sources. **Nonfiction The Osama Bin Laden I know your** As if that weren’t enough Bergen then includes six pages of notes thanking all “the people who collaborated with (him) to make (this book) happen: **Book The Osama Bin Laden I know** A dozen pages of notes indexing key figures and events to bin Laden’s life bring this encyclopedia of all things bin Laden to a close. **What was Osama bin Laden best known for** Bergen goes to great lengths to introduce and reintroduce each character but I still found it all extremely confusing: **EPub The Osama Bin Laden I know** 0743278917 This is a fairly important book which I used as a teaching assistant for the course The World After 1945: **Book The Osama Bin Laden I know your** In terms of understanding American foreign affairs in the twenty first century there is probably no one individual so important to get a grasp on as Osama bin Laden, **The Osama Bin Laden I Know nonfiction definition** A great many myths and misconception which are common in the West will be exploded by reading this book. **Book The Osama Bin Laden I know** For example bin Laden did not hate the freedoms of Americans. **The Osama Bin Laden I Know booklet** He did not really care how Westerners lived he was concerned about the ways in which the West influenced Muslim countries and their governance, **The Osama Bin Laden I Know ebook** He was not (as I had previously erroneously believed) involved in the bombing attack on the World Trade Center in the early 1990s although people associated with him were: **EBook The Osama Bin Laden I knowbe4** None of which is to say that bin Laden comes out looking like a hero in this book: **The search for Osama bin Laden** He was a mass-murderer and Bergen (and his sources) have no hesitation in saying so. **Book The Osama Bin Laden I know** He did declare war against the US and American civilians and he took morally indefensible actions against innocent people: **The Osama Bin Laden I Know book** A reminder that any religion when taken to the final logical conclusions of it's order can become a tool for enabling evil: **The Osama Bin Laden I Know book** A wake up call for Christian Nationalists and those who think secular America is evil: you are the Bin Ladens of your own country and culture. I did not defend myself. 0743278917 Well I finally finished Osama Bin Laden I Know. I had problem keeping track of the numerous characters. In addition he has not been able to bring down America. A frustrating read. Bergen has written several books including: Holy War Inc. 2011). Bergen has written several books including: Holy War Inc. 2011). {site_link} The author of 'Holy War Inc. A Bin Laden who is really rather child-like. But the book does more than that. I hope that more people read this. It can be used as an exercise in understanding. He has reasons for doing what he presumably did.S. invasion as a response to 9/11). All in all I am glad I read it.”Bergen’s 444-page-wide discussion is both exhaustive and exhausting. A full page map of Osama bin Laden’s world comes next. That’s followed by a ten-page introduction.”

Bergen's still not done. My take? This is a classic example of T-M-I. Too much information. His ideology like that of any fanatic is hardly consistent. 0743278917
