

So Much To Tell By Valerie Grove **So Much To tellgamestop** Grove was interested in telling me about Kaye's sparkling social life and multiple marriages (it would have worked out better if I shared the English interest in Ronald Searle).

Kindle So Much To telluride

She would have been instrumental in pulling children's literature into that second golden age with the platform she presented and expected of up-and-coming children's authors. **So much to tell you themes** From publications of which she expected a very high standard to the Puffin club outings in which it reads as if many children's writers were rather hauled to rather than attending freely (a particular moment in which William Mayne was dragged along to a weekend event now reads with extreme discomfort). **So Much To Tell epub pdf** Thanks to Kaye children in the 60s and beyond had affordable access to Garner.

Kindle So Much To telly

So Much To Tell Kaye Webb a journalist with no publishing experience Webb's second or third husband but unfortunately I don't). **So Much To tellhappystar customer** 1846142008 Picked up because the name Kaye Webb immediately conjured up the Puffin Club and in the photo on the cover her armful of books includes iconic favourites from my childhood. **Kindle So Much To tell you** She rushed into three marriages the first to a complete cad the second to a lovely man who had long been a friend and whom she left for Ronald Searle after a romance conducted initially by letter. **So Much To tellhappystar customer** Bizarrely her twins fathered by Searle were born while she was still married to her second husband but living with Searle and were officially registered as her husband's (Searle adopted them later). **So Much To tellhappystar customer** She went to the US to give birth her husband at her bedside Searle in the UK; he didn't meet them until they were three months old and Kaye bitterly regretted this feeling they had failed to bond. **So tell us pricing** But her work became her life the quarter of a million Puffineers her virtual grandchildren and on (reluctant) retirement she found herself living alone virtually housebound by arthritis feeling useless and neglected,

So much to tell you

Burst into the world of children's books in 1961 and changed the face of children's publishing forever: **So Much To tellhappystar customer** This title presents the story of the woman who brought the joy of books to children everywhere whilst battling the emotional pain that plagued her private life: **So Much To tellja login** Full description So Much To TellRemind me never to read books with pink cursive type on the cover. **So much to tell you** There's a quote from Kaye Webb on the cover of 'So Much To Tell' - 'My business life has worked out beautifully. **So tell us reviews** 'I was interested in reading about Kaye Webb's tenure from the 1960s to 1980s as the head of Penguin's children's book publishing arm Puffin, **EBook So Much To tell the truth** I was struck by the constant problems Webb had with relationships but also the absolutely ceaseless energy in which she ran and drove Puffin, **So much to tell you pdf** 1846142008 Having known very little about Webb I had this recommended to me as a good way into her life and times at Puffin. **So Much To tellboard** Make no mistake Pearce Garfield Aiken and others such as Sutcliff and yes Dahl (who seemed a formidable presence in and of himself). **So Much To telljo** Appalling cover aside I was a little frustrated by the fact that much of the book focused on her one-sided relationship with the artist Ronald Searle. **So tell us reviews** Although this was clearly a huge part of Kaye's own life I went into the book wanting a lot more of her time at Puffin. **So Much To Tell kindle app** I suspect that the stories found within these pages are only the tip of the iceberg: **So Much To tellbvl survey** I was just a bit too old to be a Puffineer but in our bookish household my youngest sister was and a

number of my old books still sport Puffin bookplates: **So Much To Tell pdf download** The Puffin Club magazine was like a personal letter from Kaye to her eager readers. **So tell us reviews** Reading this book brought home to me that you can take decisions that really mess up your later life without realising it at the time, **So tell us pricing** Who in turn walked abruptly out on her ten years later leaving her devastated: **So Much To Tell book review** You can't help feeling she should have stayed with husband number two. **So Much To telljo** The breakup of the marriage had lasting negative effects on the three of them (Searle at 90 lives happily in the south of France with his second wife). **So Much To tellfy** In a sense Kaye was lucky; just as Searle left she was offered her opportunity at Puffin: the right person in the right place at the right time, **Kindle So Much To tell the truth** Her life is a lesson in not defining yourself exclusively through your work which can be taken away and leave you a non-person: **So Much To Tell ebooks free** 1846142008 Only just scrapes 3* from me because of my memories of classic 1970s Puffins and Puffin Club magazines: **So Much To tellcaribou** 1846142008 Extremely well researched and well written biography of Kaye Webb founder of The Puffin Club. **So Much To Tell ebook reader** Her husband Ronald Searle was much better known and more celebrated, **So Much To Tell kindle unlimited** The marriage lasted for ten years and she nurtured him after his unspeakable experiences in Changi jail but he apparently came to feel suffocated by her and the domestic life, **EPub So Much To tello** She nurtured many a children's author too and encouraged young people to read. My personal life has been the reverse. As a result we parted ways at about page 140. My business life has worked out beautifully. My private life has been the reverse Kaye famously said. This gives some inkling of the misjudgements she made. I just didn't find the biography very compelling. She lived during a fascinating period - 1920s to 1980s. She was a strong and interesting character. Kaye is perhaps an unusual subject for a biography. Good woman if somewhat overpowering. 1846142008
