

Harlequin's Back (Shadowrun, #7320) By Tom Dowd :

Harlequin's backdoor roth

People say trouble follows Harlequin around like a loyal dog but this time he's taking the lead and dragging some shadowrunners along on his waking nightmare: **Harlequin's backing tracks** The level of magic is rising in the Sixth World and so is the danger it brings: **Kindle Harlequin's back** But the danger Harlequin fears most isn't supposed to be a problem for another two thousand years. **PDF Harlequin's background** Harlequin's Back is an adventure for Shadowrun involving magic and mayhem on a scale far beyond Shadowrun adventures. It is recommended for veteran gamemasters. Harlequin's Back (Shadowrun #7320)
