Ken Follett This second try at Follett was a winner: **The big needle epub free download** The down side for me was the surprising amount of sex and drug use through out, **The Big Needle Mystery thrillers book** Apparently Follett wrote this first of a three part series under the name of Symon Myles, **Mystery Thrillers The Big needlepoint** An odd name with a lousy reason for using such a lousy name. **PDF The Big needle pdf** Despite the name the character is well developed as are most all of the characters in this short novel: **The big needle tool** A big plus to this story is Follett's ability to put the reader in the setting. **The Big Needle Mystery thrillers fillers** Each is unique from the tight alleys to the wide spread of a farm, **EPub The Big needle nose** The conclusion is satisfying if not obvious to the casual reader: **Literature Fiction The Big needlework** He is divorced with a seldom seen teenage daughter Jane and two live-in lovers he enjoys as something more than wanton distraction, **The big needle epub free download** Apples' world shudders when his ex-wife arrives at his doorstep with dark news: "Jane is in hospital in a coma, **The big needlet the guardian** Apples is stunned with guilt for ignoring his daughter for so many years and then anger toward the heroin pushers, **The big needle dublin** In an instant Apples decides to destroy the man responsible for importing heroin into London: **The big black food truck** Not the street pusher or distributor but rather the top-level executive of the enterprise. **The big black book** His mission leads him from the underworld of London to the streets of Marseilles and back: **The big needles loop** It is plotted from car chase to shoot out to sex scene of which there are many and back again: **Big needles for shots** The criminal element - identifying and destroying London's heroin syndicate - is less mystery and more obstacle to both Apples and the reader. **PDF The Big needles** And Apples uses a methodical if unbelievable approach to accomplishing his mission. **Literature Fiction The Big needles** Unbelievable because of Apples' easy access to the crime syndicate in England and its French supplier which is forgivable because of the novel's quick linear plot and lean prose, **Big needles for sewing** It doesn't hurt that there is a subtle tongue-in-cheek feel to the whole enterprise. Ken Follett Ken Follett Sweet and short book. The crime sex and drugs keep it interesting. Yet the ending was unfulfilling. Ken Follett Nice and short exciting and fun. It's so

contrived and cliché. It remains one of Ken's most popular books. {site_link} Success came easily to Chad Carstairs. Then without warning evil invaded his pleasure-filled life. The Big Needle. The Big Needle not good. Ken Follett Wow this was unbelievably awful. Absolute garbage like a 16 year old's fantasy. Totally intolerable. This was a taut thriller that is also fun to read. The main character is named 'Apples'. There are many settings throughout as Apples travels. Bottom line: I recommend this book. 8 of ten points. Apples Carstairs is a wealthy London real estate investor." Jane's coma is the result of a heroin overdose. A man he calls "Mr. H". THE BIG NEEDLE is more action than crime novel. Ken Follett.
