

Keats By Andrew Motion By Andrew Motion **Keats library hampstead** Motion has given us a new Keats one who is skinned alive a genius who wrote in a single month all the poems we cherish a victim who was tormented by the best doctors of the age. **Keats work** [Motion] listens for the 'freely associating inquiry and incomparable verve and dash' the 'headlong charge' of Keats's jazzlike improvisations which give us like no other writing in English the actual rush of a man thinking a mind hurtling forward unpredictably and sweeping us along. **Kindle katie flynn** —Gregory Feeley Philadelphia Inquirer Keats By Andrew Motion

Sir Andrew Motion FRSL is an English poet novelist and biographer who presided as Poet Laureate of the United Kingdom from 1999 to 2009. **Conceptual metaphors in keats poetry** So he wrote for the TUC about liberty about homelessness for the Salvation Army about bullying for ChildLine about the foot and mouth outbreak for the Today programme about the Paddington rail disaster the 11 September attacks and Harry Patch for the BBC and recently about shell shock for the charity Combat Stress and climate change for the song cycle I've finished for Cambridge University with Peter Maxwell Davies. **The beauty and tragedy of keats' short life** In 2003 Motion wrote Regime change a poem in protest at Invasion of Iraq from the point of view of Death walking the streets during the conflict and in 2005 Spring Wedding in honour of the wedding of the Prince of Wales to Camilla Parker Bowles. **Keats kcl** Commissioned to write in the honour of 109 year old Harry Patch the last surviving 'Tommy' to have fought in World War I Motion composed a five part poem read and received by Patch at the Bishop's Palace in Wells in 2008. **Keats epublising** Motion spent his last day as Poet Laureate holding a creative writing class at his alma mater Radley College before giving a poetry reading and thanking Peter Way the man who taught him English at Radley for making him who he was. **Pdf cheats for pokemon firered** También ha sido director de Poetry Review director editorial de Chatto Windus y Poeta Laureado; asimismo fue cofundador del Poetry Archive y en 2009 se le concedió el título de Sir por su obra literaria. **EPub keats heating** Con un elenco de nobles marineros y crueles piratas y llena de historias de amor y de valentía Regreso a la isla del tesoro es una trepidante continuación de La isla del tesoro escrita con extraordinaria autenticidad y fuerza imaginativa por uno de los grandes escritores ingleses actuales. **Keats doctors** {site\_link} At school sex and death this is what you learn about when you take English Literature at A-Level the social impact of this is as far as I know so far unmeasured was provided via the medium of John Donne rather than by means of John Keats. **Keats kcl** So when I started to read a volume of John Keats' selected verse I wondered why somebody living in London at the beginning of the nineteenth century when the city was already a metropolis with over a million inhabitants sprawling over the landscape swallowing up villages whole for breakfast as it grew would be writing so much about grottos and woodland bowers. **Kindle kastner** My curiosity worked on me until I had to succumb to the gravitational pull of the nearest bookshop and part with some pounds for this lengthy 1997 biography by former poet laureate Andrew Motion of John Keats the poet who died at the age of twenty-five years and four months of tuberculosis in Rome. **EPub keats work** His relationship with his mother is enlisted to explain his difficulties in romantic relationships (such difficulties however did not prevent him from needing to self administer syphilis cures). **Keats freight** In an unpleasant twist masturbation and emotional engagement were both believed to be contributing factors in the spread of tuberculosis adding public shame to the difficulties of coping with the disease as well as an unwillingness to admit to having that disease for fear of appearing

weak in soul as well as body. **Keats poems** Shelley and Byron lurk on odd pages Keats meets Wordsworth - in formal dress and by Keats' time such an old conservative that it is a wonder that Bliss was it in that dawn to be alive/ But to be young was very heaven! was not edited out of his works. **Sleep and poetry keats** I am drawn to buying a volume of Keats letters and reading further as he finds the words to express the idea of negative capability when a man is capable of being in uncertainties mysteries doubts without any irritable reaching after fact and reason and see him recount his walking tour with a friend through the Lake District Scotland and then Ulster each region poorer than the last. **Keats kcl** Varying between cross written (first from left to right and then from top to bottom of a page to save on paper and postage costs) and poems in neat script for his publishers and the letters addressed to his sweetheart Frances Brawne as My sweet Fanny I hope that the double entendre existed at the time and gave them both some enjoyment. **Keats kcl** Keats' sister broke off relations with Fanny Brawne when she married more than ten years after Keats death (three of which she spent wearing mourning even though the two were not so much as formally engaged let alone married). **Keats to autumn** Keats' friend Brown who married the servant girl that he had got pregnant in a Catholic ceremony which gave him custody rights but enabled him to dump the girl as soon as the child was weaned (Catholic marriages had limited legal status in the years before Catholic emancipation) quarrelled immediately after Keats death with his publisher over writing a biography (a task he could never get round to doing himself) and with Keats' surviving brother George over his poetic legacy more generally. **Pdf katseluohjelma** His friend Severn hovering about him as Keats passed away in rented rooms in Rome where he had been sent for the good of his health finally asking the gravediggers to lay turfs with daisies upon his friend's grave. **The relationship between keats and fanny brawne** An utterly painful and miserable end to a Micawberish existence coloured by our knowledge that unbeknown to Keats a fair-sized inheritance from his grandparents had been lodged at Chancery and was to remain uncollected. **The beauty and tragedy of keats' short life** This book has been somewhere on my person pretty much wherever I've gone for the past three months and I feel like I've been put into close conversation with Keats and his contemporaries as if they were all people I really knew. **Themes in the poetry of keats quizlet** Because of faithful record-keeping on the part of Keats's circle and Keats himself we know what their evening meal consisted of the day a certain idea was first discussed; we know shocking and intimate things we know specific puns that Keats only shared with Severn. **Keats poetry** Motion is protective of Keats as a strong high-minded individual but also refuses to refrain from thoroughly discussing his flaws and weaknesses (he was poor and short as well as deeply ambivalent about women). **Keats kcl** In addition he provides a thorough examination of Keats's works in context with his moods and the events that were taking place at the time he wrote them both political and personal also including fragments of popular criticism of these works. **Keats work** In short by the time Keats's lungs are disintegrating in a small room in the Piazza di Spagna and he's raving about how lovely the violets will look over his grave you feel like you're watching every second of it and you feel like you're losing a dear friend. **Keats library hampstead** In fact it is quite redeeming to know that someone who swam against the current of bad fortune his whole life and died thinking [his] name is Writ in Water has actually become immortal. **Conceptual metaphors in keats poetry** 656 425 stars - English Ebook Short note in agenda: The alchemy that Andrew Motion creates from the various elements of Keats' poems and letters and the knowledge of the work of biographers that preceded him cut to the chase in understanding the historical and political contexts of Keats brief stellar life is a passionate interesting read. **Bookbeat** I have put the book down to attend a dinner with friends and found myself speeding back home to eagerly pick it up again! It's almost appalling to think of the book ending so soon not due to the number of pages that remain but Keat's impossibly early death. **Themes in the poetry of keats quizlet** Where to begin? I should mention that I've been a fan of Keats as much as I can be a fan without being particularly skilled at reading and understanding poetry for several years. **Keats epub.pub** I point this out just to show that I feel a weird sense of connection with Keats in addition to my admiration and that's what led me to read this large and intimidating biography. **Keats kcl** Normally this would

be a big deal-breaker for me but reading about his life and knowing about the time I was somehow able to understand if not accept where he was coming from. **Ezra Jack Keats books pdf** He wasn't afraid of a fight he was social and while he wasn't willing to play the game in the literary world he absolutely knew that it existed and how it would affect him. **Keats poetry** He was a trained surgeon who had nursed two family members with tuberculosis until their deaths and so had every idea of what his own death from that disease would look like. **Pdf cheats for pokemon firered** He was separated from family and friends in a foreign country horribly ill and subjected to bleedings and starvation diets in the attempt of a cure he had little hope of a lasting reputation as a poet. **Keats library hampstead** To wrap up and to sum up my feelings about Keats after having read hundreds of pages about him and his poetry let me quote Hugh Grant from the Bridget Jones's Diary movie: Fuck me I love Keats. **Keats kcl** I had basic facts and knowledge as a rough foundation and some recollection of Keats from my university years (and the film Bright Star ahem) but this was a whole other level. **Keatsian** And yet here we are now two hundred years later reading 500+ pages of biography and learning his poetry in schools and being impressed by how this man turned these tragedies into such written ecstasies. **Keats library hampstead** Of course it can't be denied that there is an element of the tragic about him but the books manages to convey his wonderful personality whether it be ironic or jealous sociable dramatic or depressed. **Pdf katseluohjelma** Writing was clearly a compulsion rather than a decision based on common sense (financial common sense at least)! Small parts of this book are a little bit of a trawl - there is a lot of information packed in and not all facets are going to appeal to everyone. **Keats library hampstead** That said it gave me a brilliant insight not only into Keats and his work but the world he lived in the people he knew the political and literary climate of the time even the medical world. **Themes in the poetry of Keats quizlet** For instance in Rome he was so disgusted with the quality of some food that had been delivered to him and his friend that he simply just threw it out the window and waited for some more (better quality) food to be provided (which is exactly what happened). **Keats library hampstead** Reading Keats' letters to Fanny Brawne in more detail is something I intend to do very soon but even the excerpts and commentary provided in this biography was heart-wrenching enough! I have been astonished that Men could die Martyrs for religion - I have shudder'd at it - I shudder no more - I could be Martyr'd for my Religion - Love is my Religion - I could die for that - I could die for you. **Keats kcl** I do have to hope that Keats who felt sure that memories of him and his work would fade away as if writ in water would take some heart in knowing that his name is now irrevocably placed as one of the all-time great English poets. **The beauty and tragedy of Keats' short life** Yes it will probably help if the reader is already familiar with Keats' work but I am sure that it would equally serve very well as introducing a new reader to the poet. **Keats library hampstead** I'm certainly not a Keats' scholar and although I was familiar with some of his work mainly the sonnets I hardly knew the longer poems such as Hyperion The Fall of Hyperion and Endymion. **Keats library hampstead** Those predominantly 'literary' chapters are the hardest to get through but they are certainly worth the effort as I feel that I have now gained a general understanding of Keats' poetry and I feel ready to read them for pure enjoyment. **Sleep and poetry Keats** As for telling the story of John Keats the man Motion does a really amazing job painting a thoroughly modern picture of Keats as a strong independent young man rather than the effeminate delicate dreamer who as Byron wrote shortly after Keats' death 'let himself be snuffed out by an article'. **Jack Keats books** I just watched the movie Bright Star about Keats & Fanny Brawne and it was great so I thought maybe I'll finally read more of that massive Keats biography I bought back in the day when I had a plan of reading all his letters and poems and a bio & a critical study (HA!) and I did read the first 100 pages and they were. **Keats kings london** But I read the last 30 pages or so the other day (it gets MUCH more interesting after he meets Fanny and gets consumption so sad--is that a spoiler?) but there are a good 700 or so pages in between. **Sleep and poetry Keats** 656 An excellent thorough biography interspersed with solid readings of the poems -- Keats died at age 26 and somehow Motion's biography runs to nearly 600 pages without ever seeming unnecessarily detailed. **Themes in the poetry of Keats quizlet** I came to really love the feisty and engaged young man that Motion

depicted - and while Keats was as fallible and conflicted as any human must be I feel that he is one of the best and most interesting people who've ever lived. **Keats library hampstead** Motion gives the appropriate weight to Keats' gift for friendship to the power of his love for Fanny Brawne (cause of both ardent joy and deathly despair) and to his deeply felt vocation as a poet: The kindest compliment for any book is to wish it had been longer. **Over in the meadow book ezra jack keats** Keats received a drubbing from some critics in his lifetime both for the emotion in his poetry and his letters as well as for his politics, **The beauty and tragedy of keats' short life** Motion does well in recapturing Keats politics and how difficult it was not to be political in British society in the years immediately after the Battle of Waterloo. **Sleep and poetry keats** What works less well for me is Keats turning from the study of medicine to writing poetry as a movement from curing the individual to curing society, **The beauty and tragedy of keats' short life** His emotional side.

## **Pdf cheats for pokemon firered**

Andrew Motion's dramatic narration of Keats's life is the first in a generation to take a fresh look at this great English Romantic poet: **Keats doctors surgery hampstead** Unlike previous biographers Motion pays close attention to the social and political worlds Keats inhabited. **Bookbeat** Making incisive use of the poet's inimitable letters Motion presents a masterful account: **Keats publications** This portrait stripped of its layers of varnish and restored to glowing colours should last us for another generation. **Keats kcl** —Edmund White The Observer Review Keats's letters fairly leap off the page, **Keats library hampstead** —Morris Dickstein New York Times Book Review Scrupulous and eloquent: **Keats kcl** Motion was appointed Poet Laureate on 1 May 1999 following the death of Ted Hughes the previous incumbent, **Keatsian** The Nobel Prize winning Northern Irish poet and translator Seamus Heaney had ruled himself out for the post. **Keats kcl** Breaking with the tradition of the laureate retaining the post for life Motion stipulated that he would stay for only ten years, **Keats library hampstead** The yearly stipend of £200 was increased to £5000 and he received the customary butt of sack: **John keats biography pdf** He wanted to write poems about things in the news and commissions from people or organisations involved with ordinary life rather than be seen a courtier: **EBook keats kcl** So he w Sir Andrew Motion FRSL is an English poet novelist and biographer who presided as Poet Laureate of the United Kingdom from 1999 to 2009. **EPub keats work** Motion was appointed Poet Laureate on 1 May 1999 following the death of Ted Hughes the previous incumbent: **Keats login** The Nobel Prize winning Northern Irish poet and translator Seamus Heaney had ruled himself out for the post. **The relationship between keats and fanny brawne** Breaking with the tradition of the laureate retaining the post for life Motion stipulated that he would stay for only ten years, **Keats library hampstead** The yearly stipend of £200 was increased to £5000 and he received the customary butt of sack. **Sleep and poetry keats** He wanted to write poems about things in the news and commissions from people or organisations involved with ordinary life rather than be seen a 'courtier', **Keats kings london** As laureate he also founded the Poetry Archive an on line library of historic and contemporary recordings of poets reciting their own work: **Themes in the poetry of keats quizlet** Motion remarked that he found some of the duties attendant to the post of poet laureate difficult and onerous and that the appointment had been very very damaging to [his] work: **Sleep and poetry keats** The appointment of Motion met with criticism from some quarters. **Themes in the poetry of keats quizlet** As he prepared to stand down from the job Motion published an article in The Guardian which concluded To have had 10 years working as laureate has been remarkable. **Bookbeat** Sometimes it's been remarkably difficult the laureate has to take a lot of flak one way or another: **Keats kcl** I'm glad I did it and I'm glad I'm giving it up - especially since I mean to continue working for poetry. **Keats for one crossword** Carol Ann Duffy succeeded him as Poet Laureate on 1 May 2009, **Keats ebookers** Estudió en el University College de Oxford y empezó su carrera enseñando inglés en la Universidad de Hull: **Keats kcl** En la actualidad es profesor de escritura creativa en el Royal

Holloway de la Universidad de Londres: **Book creator** Es miembro de la Royal Society of Literature y vive en Londres. **Keatsian** The poet's life was short and a little less than half the book is taken up by his last year. **Themes in the poetry of keats quizlet** Even so I would have been glad if the biography had been longer: **Keats work** Keats' posthumous reputation was wrapped up a couple of pages more on contemporary medicine both in regard to his treatment and study at St: **Themes in the poetry of keats quizlet** Thomas' hospital would have interested me which received negative criticism in stiff lipped times was a mess of loss and heartbreak, **Keats library hampstead** Tuberculosis stalks through the pages although a few people managed to die of other causes. **Sleep and poetry keats** Keats attended some lectures by Hazlitt and reflects on Cobbett, **Keats poems** Poverty feeds back into the politics as the inevitable result of the political decision to engage in a generation of near continuous warfare. **The relationship between keats and fanny brawne** One of the pleasures of this book are the full-page reproductions of Keats' handwriting. **Kindle katie flynn** Something else that Motion brings out nicely is the affection that people had for Keats, **John keats selected poems pdf** The pages given over to the poetry will probably get the most attention in schools and colleges, **Keats poems** Motion pays attention to Keats' models here we go back to politics as Keats naturally looked to Milton as a poet aligned to the Radical tradition. **Keats poetry** Unfortunately it is the Miltonic Endymion and Hyperion that come off as less successful than the Odes: **Keats kcl** So short a life the man was still developing his voice when he reached his end: **Keats pdf** Motion is alive to the work of other poets coming to Keats' attention their impact upon him - most immediately in On First Looking into Chapman's Homer, **Conceptual metaphors in keats poetry** A thing of beauty is a joy for ever but it is the pain and wretchedness of his death that closes the book: **Keats kcl** Fanny Brawne in pain at not having been with him Keats not able to read the last two letters from her - asking that they be laid in his grave instead: **Keats work** Motion is such a good biographer that explaining how poignant and fair and strikingly detailed this life story is is almost impossible. **Sleep and poetry keats** First a little background: I spent my senior year of undergrad deeply immersed in Keats's poetry its subsequent criticism and the correspondence between Keats & his set. **Keats work** By the time I came to this biography I had snapshots of Keats the man interspersed with a pretty solid understanding of his work, **Bookbeat** I did not expect to have the privilege of so fully experiencing his everyday life--and we're talking about pretty much every week of his short 25 years: **Keats kcl** Motion uses the first 500 pages to establish the value of a life cut short and then like Dante uses the last 50 pages to guide the reader slowly through hell, **Conceptual metaphors in keats poetry** 656 I've been picking through this biography for a paper and can't wait to sit down and read the whole thing! Keats was a fascinating and tragic figure. **Keats poems** -----I think I have some things to say about Keats but it's late and reading about the end of his life has made me sad. **Keats kcl** Agnes Lamia La Belle Dame Sans Merci and oh my God To Autumn: **Keats kcl** I have less success with the longer poems like Hyperion and Endymion: **The snowy day by ezra jack keats pdf** But his shorter poems and his letters have made me fall in love with him. **Keat's pub nyc** When I spent the summer in London and Scotland studying library science one of our assignments was to make site visits of libraries and museums, **Conceptual metaphors in keats poetry** I visited his Hampstead home where he lived with his friend Brown and next door to the woman who would become his fiancée and his obsession, **Keats poems** I visited Winchester where he spent some time and which inspired him to write my favorite of his poems To Autumn. **Keats ford drag club** I walked the very path that Keats walked just a year before his death: **Bookbeat** Last year I visited Italy and it wouldn't have been complete without a mini pilgrimage to the rooms near the Spanish Steps where Keats spent his final weeks: **Sleep and poetry keats** And upon reading this biography I discovered that I'd been unknowingly stalking Keats throughout my earlier travels. **Keats kcl** I'd been to the Giant's Causeway in Northern Ireland which astonished and inspired Keats, **Keats kings london** I'd been to the birthplace of Robert Burns where Keats made a pilgrimage on his walking tour of Scotland. **Keats kcl** I'd been to Ben Nevis and stayed a short walk from the hospital in London where Keats trained to become a surgeon. **The snowy day by ezra jack keats pdf** Which I should point out contains quite a bit of in-depth

discussion and analysis of poetry, **Sleep and poetry keats** And while I had a decent understanding of the basic trajectory of his life I was shocked at how much I learned about him and how affecting his story was: **Keats login** Keats lived a difficult life filled with challenges and grief which I knew and I hesitate to just give an extensive timeline of his life. **Keatsian** So instead I'll just point out some of the things that I didn't know, **Keats library hampstead** Imagining him with a Cockney accent makes him more approachable: **Book kits** Largely because he was aware that his views of women were not right and because there were a few women who were important in his life and who he respected, **Keats library hampstead** Most importantly I learned that Keats was politically minded savvy and while the negative reviews of his work that prevailed in his day upset him he knew to expect them: **Themes in the poetry of keats quizlet** He was mainly upset because they affected his ability to make a living as a poet not because he was the delicate sensitive poet that he gained a reputation for being: **Keatsian** He spent half the book treating himself for VD so he was obviously no shy and retiring violet. **Conceptual metaphors in keats poetry** There are reports that he once beat a butcher's boy for tormenting a kitten. **Keats to autumn** Again this was a pleasant surprise that made him more vivid in my imagination and more human. **Keats login** Which happens when I have a lot to say about a topic that I find interesting: **EBook keats kcl** So let me reign myself in and just address how absolutely heartrending I find the end of his life. **Keatsian** He had barely known Fanny Brawne his fiancée his great love and his jealous obsession. **Keatsian** His letters from his last weeks and the descriptions of his friend and nurse Severn are absolutely heartbreaking. **Keats login** Andrew Motion tells the story in such a way that you can feel Keats' anguish at his impending death: **Book kits** You know that poem by Dylan Thomas Do Not Go Gentle? It was very much on my mind as I read about the end of Keats' life, **Poetry keats** His grief and anguish were never from a place of self-pity or fear, **Keatsian** Anger that he must leave Fanny Brawne before their relationship could be fully realized. **Keats kcl** Anger that all the beauty and horror and poverty and brilliance of the world were disappearing for him: **Keats kings london** I wonder if he would be gratified to know that he is now considered one of the pre-eminent English poets. **Themes in the poetry of keats quizlet** Mostly because often too much in the way of factual content can be a little dry no matter how it is presented. **Kindle kategorien** Keats is synonymous with the idea of an inherently tragic figure and rightly so in many regards, **Keats publications** He very rarely encountered good fortune despite his pursuit of truth and beauty. **Keats poetry** His family life was hard he was essentially orphaned young and his poetic work was largely overlooked during his lifetime, **Keats ebooks free** His health caused him to suffer immensely and he was forced to leave the one true love of his life knowing that he would never see her again: **Keats login** He is not the wispy tragic figure that he is so often personified as such as Shelley's claim he was snuffed out by an article: **Keats work** He clearly was a man of very strong feelings whatever they were especially to throw in a potentially steady career as a doctor in order to dedicate his life to poetry. **Pdf kedisiplinan** There are also some fantastic anecdotes which make Keats come even more alive (pardon the expression): **Themes in the poetry of keats quizlet** Another time he beat a butcher's boy for tormenting a kitten! In many ways he was not the consumptive dreamy genius that we think: **Keats poetry** He was bold and brave and drew people into his orbit collecting friends so dedicated that they pushed his cause even long after his death. **Keats login** For me the relationship between Fanny Brawne and Keats is something that I particularly find completely fascinating: **Pdf kedisiplinan** It is completely understandable how this book inspired Jane Campion to make the wonderful film Bright Star: **Bookbeat** It provided such a well-rounded look at Keats his life and his work, **Keats to autumn** I was so very moved in the final chapters ticking towards the inevitable and sad end: **Keats kcl** It has also inspired me to pick up other biographies in future probably starting with some of Keats' poetic contemporaries. **Keats epublising** 656 Keats — pretentious overbearing hyper-enthusiastic self-hating misogynist. **Keats kcl** Produced long narrative poems that all mostly suck (w flashes of total genius) a handful of sonnets (mostly great w a few immortals) and a smattering of perfect odes, **Conceptual metaphors in keats poetry** Keats had just shaken off most of his juvenilia when he died, **Sleep and poetry keats** When you realize Mozart lives a full decade longer you start to

realize the sheer loss: **Bookbeat** 656 To John Keats - Whose Name Was Writ in Eternity' -quoting Dan Simmons' dedication at the start of his Keats' inspired novel 'The Fall of Hyperion'. **Themes in the poetry of keats quizlet** My own review written for Amazon UK:I approached Andrew Motion's biography of John Keats with some apprehension - I am no expert academic or poet: **Keats epub air** Having read and struggled through Richard Ellmann's biography of Oscar Wilde Oscar Wilde a few years ago I did wonder if I was going to enjoy Motion's book at all, **Keats poems** This is a really approachable text obviously within the parameters of its subject matter. **The relationship between keats and fanny brawne** Motion amply discusses these poems within a biographical context: **Ezra jack keats books** I am sure that the Keats described by Motion is the real John Keats; a man whose name was not as his self-penned epitaph reads 'writ in water' but in eternity. **Keats kcl** 656 The full disclaimer is I have not read this whole book and I'm never going to. **Themes in the poetry of keats quizlet** This is really a book for Keats scholars not post-grad school people who think they maybe could dabble in Keats scholarship. **The relationship between keats and fanny brawne** 656 I never had the privilege of studying John Keats at school so I came to him via a less expected path: reading the science fiction novel Hyperion by Dan Simmons, **EPub keats heating** In that futuristic tale the historical Keats has been cloned and augmented as a 'cybrid' and goes on an adventure with a detective named Brawne Lamia: **Sleep and poetry keats** I was intrigued enough to want to know more! I soon stumbled across this biography by Andrew Motion which has been my key text for years[1]

As would more on his schooling. But then I should remember he was young and idealistic. . . More often it has been remarkably fulfilling.Andrew Motion nació en 1952. My reading list lengthens. Unfortunately this misfired after his death. 656 I'm at a bit of a loss for words. This isn't to say that the ending is necessarily bitter. And with ample justification. Review to come.-----OK. The odes The Eve of St. So beautiful. I made Keats my assignment. Be ye warned.I thought I had a general understanding of Keats. Who he was. What his life was like. He was born in the East End of London. John Keats was a Cockney! I had no idea. I always imagined him speaking with a posh British accent. More human. He was also kind of a little bit of a misogynist. He was actually kind of a dude.I feel like I'm rambling. He was so very very young when he died. Just over 25 years old. Instead it was anger and rage. Anger that his progress as a poet would cease. It was raw and brutal and it brought me to tears. I hope so. 656 I don't tend towards biographies in general.Nevertheless I enjoyed Motion's Keats immensely. I was a little apprehensive at first.The book gives a fantastically rounded version of Keats.All in all I found this a fantastic book. (And the letters!) Then he just keeled over. I really need not have worried.not very interesting. Maybe sometime Andrew Motion but probably not. I can't recommend this tome highly enough. 656.
