.
, This was one of the series I read in part (not whole set), 9780553279993 I loved how Danielson wove together natural disasters and the power of Yahweh to tale the story of Moses leading the Habiru out of Egypt: I also loved the showdown between Moses and the evil magus Apedemek from the earlier books, As always there was plenty of intrigue in the court as people jostled for power: The clan of the Children of the Lion continues to grow in unexpected directions as well[1]

I went through a period of reading various series
